MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report #6
2 - 6 February 1970

GENERAL

25X1A9a [REDACTED] and I had a second meeting with the Bureau of Narcotics and Dangerous Drugs in connection with their request to the DDP for training assistance. The BNDD outlined an accelerated program to employ intelligence techniques against its target and briefed us on their expanded programs generally. I think we may want to recommend the assignment of an instructor to be on a TDY basis to help them define their training requirements, but it is a rather complex problem and I am preparing a separate memorandum on the subject. ✓ on file
